Elisabeth de Valois PINOT NOIR

VINES

Average of 35 years old Pinot Noir.

VINIFICATION

Manual harvesting with rigorous selection on tables. 17 days of fermentation in open-top wooden vat. Daily light pumping-over. 25 % of whole crop and 75 % of destemmed fruits.

12 months of ageing in traditional Bourguignonne pièces with 50 % of new oak. Malolactic fermentation started lately in spring. Bottling December 2019

TASTING

Coming from a cold climate, Mercrey 1er Cru is discreet and withdrawn in its early youth but shows a real potential of bottle aging. Its smoky nose brings also notes of blackcurrant and blueberry.
